THEREFORE BE ENTITLED TO PAYMENT FROM A PROPOSED CLASS AND

PLEASE READ THIS NOTICE CAREFULLY.

1. Why Did I Get This Notice?

A proposed class and collective action settlement (the “Settlement”) has been reached in *Jones, et al. v. CertifiedSafety, Inc., et al.*, Case No. 3:17-cv-02229-EMC (N. D. Cal.), and its related cases (the “Actions”).¹ You received this Notice of Settlement (“Notice”) because (1) the records of CertifiedSafety, Inc. (“CertifiedSafety”) show you performed work as a Safety Attendant and/or Safety Foreman for CertifiedSafety sometime between April 21, 2013 and January 22, 2020, and (2) you submitted an opt-in form to become an Opt In Plaintiff and assert federal Fair Labor Standards Act (“FLSA”) claims in the Actions. **You are therefore entitled to receive money from the Settlement, as described below, if the Court grants Final Approval of the Settlement.**²

NOTE: *You are a member of one or more classes of employees that worked in the following states: Alaska, California, Illinois, Minnesota, Ohio, and/or Washington. For each of these states, Plaintiffs in the Actions allege state law wage and hour claims on behalf of the CertifiedSafety Safety Attendants and Safety Foremen who worked in those states. For each of these states, there is a separate class, each of which covers a specific time period, as explained in this Notice. Together, these classes are referred to as the “Rule 23 Classes.” Unless you opt out of the*

² The capitalized terms in this Notice of Settlement have defined meanings that are set out in detail in the Settlement Agreement. To review a copy of the Settlement Agreement, please visit the Settlement website at www.CertifiedSafetySettlement.com.

Settlement, you will receive money for your state law claims as a Rule 23 Class Member, and you will release those state law claims.

Separately, you are also a member of the FLSA collective of Opt In Plaintiffs, which asserts federal law wage and hour claims under the federal FLSA. Because you opted in, you are also an Opt In Plaintiff. Therefore, you may additionally receive money for your federal FLSA claims under the Settlement. Because you consented to join this action as an Opt In Plaintiff and to be bound by any judgment, you cannot opt out of the federal FLSA claims and you will release your federal FLSA claims if the Court grants Final Approval of the Settlement.

If you opt out of the Rule 23 Classes under the Settlement, you will still receive a Settlement check for releasing your federal FLSA claims. However, you will not receive any enhanced Workweek weighting, as explained in this Notice, for your work as a Safety Attendant or Safety Foreman in Alaska, California, Illinois, Minnesota, Ohio, and/or Washington. All of your Workweeks nationwide as a Safety Attendant or Safety Foreman will be unweighted.

2. Why Should You Read This Notice?

This Notice explains the Settlement that has been reached in the Actions. It explains your right to share in the monetary proceeds of this Settlement, exclude yourself (“opt out”) from the Settlement as a Rule 23 Class Member, or object to the Settlement as a Rule 23 Class Member. If you object to the Settlement, you cannot opt out of the Settlement, and you will be bound by the terms of the Settlement in the event that the Court denies your objection.

The United States District Court for the Northern District of California has preliminarily approved the Settlement as fair and reasonable with respect to the Rule 23 Classes, and has approved the Settlement as fair and reasonable as it applies to Opt In Plaintiffs, but it still needs to issue Final Approval of the Settlement as a whole. The Court will hold a Final Approval hearing on May 28, 2020 at 1:30 p.m., to make a final fairness determination with respect to the Rule 23 Classes, before the Honorable District Judge Edward M. Chen at the San Francisco Courthouse, Courtroom 5 - 17th Floor, 450 Golden Gate Avenue, San Francisco, California 94102.

3. What Are the Actions About?

The Actions allege that individuals whom CertifiedSafety employed as non-exempt Safety Attendants and Safety Foremen were not compensated for all hours worked, were not paid minimum, straight time, overtime, or double time wages, were not provided meal and rest breaks, were not paid all wages due upon termination, were not provided timely and compliant itemized wage statements, and were not reimbursed for necessary business expenses. The Actions further allege that CertifiedSafety and certain oil refineries – Andeavor (f/k/a Tesoro Corporation) and Tesoro Refining & Marketing Company LLC, Chevron Corporation and Chevron U.S.A. Inc., CITGO Petroleum Corporation, Phillips 66 Company, Shell Oil Company and Shell Oil Products Company LLC, and United Refining Company – jointly employed the Safety Attendants and Safety Foremen, and therefore are jointly liable for the alleged wage and hour violations. CertifiedSafety and these oil refinery companies are together referred to as the “Defendants.” The Actions are brought by Plaintiffs and Class Representatives Harold Jones, Jr., Tierre Crummie, Genea Knight, Michael East, Marcellous Ross, Sandra Turner, and George Azevedo, Jr.

(collectively, “Class Representatives”), and seek recovery of unpaid wages, statutory damages, civil penalties under the California Labor Code Private Attorneys General Act (“PAGA”), restitution, interest, and attorneys’ fees and costs. The claims in the Actions are brought under federal, Alaska, California, Illinois, Minnesota, Ohio, and Washington law.

Defendants contend that they have strong legal and factual defenses to these claims, but they recognize the risks, distractions, and costs associated with litigation. Defendants contend that the wage and hour policies and practices at issue, including those regarding payment for time worked, overtime pay, meal breaks, rest breaks, and expense reimbursement, are lawful and have been lawful throughout the relevant time period. Andeavor (f/k/a Tesoro Corporation) and Tesoro Refining & Marketing Company LLC, Chevron Corporation and Chevron U.S.A. Inc., CITGO Petroleum Corporation, Phillips 66 Company, Shell Oil Company and Shell Oil Products Company LLC, and United Refining Company also deny the allegations that they jointly employed Safety Attendants and Safety Foremen. Defendants also contend that the Class Representatives’ claims do not meet the requirements for class or collective-action certification.

This Settlement is the result of good faith, arm’s length negotiations between the Class Representatives and Defendants, through their respective attorneys. Both sides agree that, in light of the risks and expenses associated with continued litigation, this Settlement is fair and appropriate under the circumstances, and in the best interests of the Rule 23 Class Members and Opt In Plaintiffs. This Settlement is a compromise and is not an admission of liability on the part of Defendants. By agreeing to settle, Defendants do not admit, and expressly deny, liability on any of the factual allegations or claims in the Actions.

The Court has not ruled on the merits of Plaintiffs’ claims or Defendants’ defenses.

The Settlement Administrator has created a Settlement website, which can be accessed at www.CertifiedSafetySettlement.com. The Settlement website allows interested persons to view the Settlement Agreement, all papers filed by Class Counsel to obtain Court approval of the Settlement Agreement, and the Notices of Settlement (in generic form). The Settlement website also provides contact information for Class Counsel and the Settlement Administrator.

4. What Are the Terms of the Settlement?

CertifiedSafety has agreed to pay Six Million Dollars (\$6,000,000.00) to settle this lawsuit (the “Gross Settlement Amount”), inclusive of the claims of all Rule 23 Class Members and Opt In Plaintiffs. Deductions from this amount will be made for attorneys’ fees and costs for Class Counsel (up to \$2,100,000.00, plus attorneys’ costs not to exceed \$70,000.00; see Section 11, below), settlement administration costs (estimated to be \$66,000.00), and service awards in an amount not to exceed Seventy-Five Thousand Dollars (\$75,000.00) in total to Class Representatives Harold Jones, Jr., Tierre Crummie, Genea Knight, Michael East, Marcellous Ross, Sandra Turner, and George Azevedo, Jr. for their service to the Rule 23 Classes and the FLSA collective. The requested service awards are \$15,000.00 each for Class Representatives Jones, Knight, and Crummie; \$10,000.00 each for Class Representatives Ross and East; and \$5,000.00 each for Class Representatives Azevedo and Turner. After deductions of these amounts, what remains of the Gross Settlement Amount (the “Net Settlement Amount”) will be available to pay monetary Settlement awards to (i) Class Representatives; (ii) Opt In Plaintiffs, and (iii) all Rule 23

Class Members who do not opt out of the Settlement Class (collectively, “Participating Individuals”).

The following persons will be eligible to receive a monetary award from the Net Settlement Amount:

- Class Representatives;
- All individuals who worked for CertifiedSafety as Safety Attendants and Safety Foremen in Alaska at any time from April 23, 2016 to January 22, 2020 (“Alaska Rule 23 Class Members”);
- All individuals who worked for CertifiedSafety as Safety Attendants and Safety Foremen in California, or who attended pre-employment training conducted by CertifiedSafety in California, at any time from April 21, 2013 to January 22, 2020 (“California Rule 23 Class Members”);
- All individuals who worked for CertifiedSafety as Safety Attendants and Safety Foremen in Illinois at any time from March 14, 2016 to January 22, 2020 (“Illinois Rule 23 Class Members”);
- All individuals who worked for CertifiedSafety as Safety Attendants and Safety Foremen in Minnesota at any time from March 12, 2016 to January 22, 2020 (“Minnesota Rule 23 Class Members”);
- All individuals who worked for CertifiedSafety as Safety Attendants and Safety Foremen in Ohio at any time from April 23, 2016 to January 22, 2020 (“Ohio Rule 23 Class Members”);
- All individuals who worked for CertifiedSafety as Safety Attendants and Safety Foremen in Washington at any time from April 21, 2014 to January 22, 2020 (“Washington Rule 23 Class Members”); and
- Individuals who filed an Opt-In Consent Form to assert federal FLSA claims in the Actions prior to January 22, 2020 (“Opt In Plaintiffs”).

5. How Will the Net Settlement Amount Be Divided for Participating Individuals?

All Participating Individuals will receive a proportional share of the Net Settlement Amount based on the total number of eligible workweeks that the Participating Individual worked for CertifiedSafety during the relevant period, as follows:

1. The Settlement Administrator will tally the applicable number of weeks during which each Participating Individual worked for CertifiedSafety as a non-exempt Safety Attendant or Safety Foreman. The tally will include Workweeks for all Rule 23 Class Members, during the time periods specified in the previous section of this Notice (“Rule 23 Workweeks”). The tally will also include, for Opt In Plaintiffs, Workweeks in all states other than California, Washington, Minnesota, Illinois, Alaska, and Ohio, from three years prior to the Opt-In Date through January 22, 2020 (“FLSA-only Workweeks”).
2. Each Workweek generally will be equal to one (1) settlement share. However, to reflect the increased value of state law claims and differing average rates of pay by state, Workweeks for Rule 23 Class Members will be weighted more heavily, as follows:
 - Workweeks during which work was performed in California (and/or Workweeks in which a California Rule 23 Class Member attended pre-employment training conducted

- by CertifiedSafety) as a California Rule 23 Class Member will be equal to three (3) settlement shares
- Workweeks during which work was performed in Washington and Alaska as a Washington Rule 23 Class Member and Alaska Rule 23 Class Member, respectively, will be equal to two (2) settlement shares
 - Workweeks during which work was performed in Minnesota as a Minnesota Rule 23 Class Member will be equal to 1.7 (one point seven) settlement shares
 - Workweeks during which work was performed in Illinois as an Illinois Rule 23 Class Member will be equal to 1.3 (one point three) settlement shares
 - Workweeks during which work was performed in Ohio as an Ohio Rule 23 Class Member will be equal to 1.1 (one point one) settlement shares
3. The total number of settlement shares, as weighted, for all Participating Individuals will be added together and the Net Settlement Amount will be divided by that total to reach a per share dollar figure. The resulting per share dollar figure will then be multiplied by each Participating Individual's number of settlement shares, as weighted, to determine his or her Individual Settlement Payment.
4. All Individual Settlement Share determinations will be based on CertifiedSafety's timekeeping and/or payroll records. However, Participating Individuals may dispute their number of Workweeks, as discussed in the next section of this Notice.

6. How Much Can I Expect to Receive?

As an Opt In Plaintiff and Rule 23 Class Member, you will receive either a Combination Check, or an FLSA Settlement Check if the Court grants Final Approval of the Settlement. You will receive a Combination Check if you do not request exclusion from the Rule 23 component of the Settlement, as discussed in this Notice. The Combination Check will provide payment to you for both the Rule 23 component and FLSA component of your share of the Settlement. If you request exclusion from the Rule 23 component of the Settlement, you will only receive an FLSA Settlement Check. The FLSA Settlement Check will provide payment only for the FLSA component of the settlement.

According to records maintained by CertifiedSafety, your Combination Check is estimated to be at least \$<<Total estimated award>>. This amount is an estimated amount, and your final Settlement payment is expected to differ from this amount (i.e., it could be higher or lower) and will be calculated as set forth above. This amount is comprised of the Rule 23 component of your share of the Settlement (estimated to be at least \$<<Rule 23 estimated award>>) and the FLSA component of your share of the Settlement (estimated to be at least \$<<FLSA estimated award>>). These amounts are based on the following numbers of Workweeks you worked for CertifiedSafety, as shown by company records:

You are estimated to have worked <<Total Rule 23 workweeks>> Rule 23 Workweeks from April 21, 2013 through January 22, 2020.

Note that your Rule 23 Workweeks only include Workweeks for Alaska, California, Illinois, Minnesota, Ohio, and Washington, during the time periods set forth in Section 4 of this Notice.

You are estimated to have worked <<Total FLSA workweeks>> FLSA-only Workweeks from three years prior to your Opt-In Date (which is three years preceding the date that Class Counsel filed an Opt In Consent Form on your behalf) through January 22, 2020.

If this Notice reports that you have zero (0) FLSA-only Workweeks, then all of your Workweeks are attributed to the Rule 23 Classes.

If you wish to dispute the number of workweeks as shown here, you may produce evidence to the Settlement Administrator establishing the dates and locations you contend to have worked for CertifiedSafety as a Safety Attendant and/or Safety Foreman. To do so, send a letter to the Settlement Administrator explaining the basis for your dispute and attach copies of the supporting evidence. Unless you present convincing evidence proving you worked more workweeks than shown by CertifiedSafety's records, your Individual Settlement Payment will be determined based on CertifiedSafety's records. Any disputes must be postmarked by April 20, 2020, and should be mailed to Jones v Certified Safety, c/o Settlement Administrator, PO Box 58245, Philadelphia, PA 19102-8245. The Settlement Administrator will notify you of the decision on the dispute.

For tax reporting purposes, Individual Settlement Payments to Participating Individuals will be allocated one-third (1/3) as wages, one-third (1/3) as penalties, twenty-three and one-third percent (23 and 1/3%) as interest, and ten percent (10%) as expense reimbursements. None of the Parties or attorneys make any representations concerning the tax consequences of this Settlement or your participation in it. Participating Individuals should consult with their own tax advisors concerning the tax consequences of the Settlement.

You will have 180 days to cash Settlement checks that are sent to you. If at the conclusion of the 180-day check void period, there are any uncashed checks, those monies will be redistributed to those Participating Individuals that cashed their Settlement checks. If the amount of uncashed checks to be redistributed is less than \$10 per person, the uncashed check monies will be donated to Legal Aid at Work as a charitable recipient.

It is your responsibility to keep a current address on file with the Settlement Administrator to ensure receipt of your Individual Settlement Payment. If you fail to keep your address current, you may not receive your Individual Settlement Payment.

7. What Are the Releases?

Upon the final approval of the Settlement by the Court and payment of the monetary amounts due under the Settlement, Participating Individuals release claims as follows (the "Released Claims") against (1) CertifiedSafety, including its current or former parents, subsidiaries, or affiliate entities, and each of their owners, officers, directors, members, managers, employees, attorneys, insurers, assigns, shareholders, successors, predecessors, managing agents, and agents; and (2) Andeavor, Chevron, CITGO, Phillips 66, Shell, and United, including their current or former parents, subsidiaries, or affiliate entities, and each of their owners, officers, directors, members, managers, employees, attorneys, insurers, assigns, shareholders, successors, predecessors, managing agents, and agents, to the extent Plaintiffs allege that the Participating Individual worked for Andeavor, Chevron, CITGO, Phillips 66, Shell, and United, on a joint-employer or alleged joint employer basis with CertifiedSafety (collectively the "Released Parties"):

8. What Are My Rights?

- **Do Nothing**: If you do not timely and validly opt-out of the Rule 23 Classes, you will automatically receive your Combination Check. You may also receive a FLSA Settlement Check. You will be bound by the Settlement including its release provisions.
- **Opt-Out**: If do not wish to be bound by the Settlement as a Rule 23 Class Member, you must submit a written request for exclusion from the Settlement (“opt-out”), postmarked by April 20, 2020. The written request for exclusion must contain your name (and any other names used while employed by CertifiedSafety), full address, and signature, and state the following (or substantially similar language): “I wish to opt-out of the Settlement as a Rule 23 Class Member in the CertifiedSafety Cases. I understand that by requesting exclusion, I will not be eligible to receive any payment or other benefit as a Rule 23 Class Member in the Settlement involving CertifiedSafety.” No opt-out request may be made on behalf of a group. The opt-out request must be sent by mail to the Jones v Certified Safety, c/o Settlement Administrator, PO Box 58245, Philadelphia, PA 19102-8245 . **If you request exclusion (opt out) of the Settlement,**

you will not be bound by the Settlement with respect to the Rule 23 Classes, and you will not have any right to object, appeal or comment on the Settlement. As you consented to join this action as an Opt In Plaintiff and to be bound by any judgment, you cannot opt out of the Settlement with respect to federal FLSA claims.

If you request exclusion (opt out) of the Settlement, you will receive credit under the Settlement for all of your Workweeks nationwide from the three years preceding the date that Class Counsel filed a Consent to Join form on your behalf to and including January 22, 2020. Workweeks in California, Washington, Alaska, Minnesota, Illinois, and Ohio will be included in this calculation, but none of the Workweeks will be subject to any weighting (i.e., all Workweeks will be equal to one (1) settlement share).

- **Object:** If you received this Notice and wish to object to the Settlement as it pertains to the Rule 23 Classes, you must submit a written statement objecting to the Settlement by April 20, 2020. You must mail the statement to the Court at the following address: United States District Court, Office of the Clerk, 450 Golden Gate Avenue, San Francisco, CA 94102-3489. You must also mail a copy of your objection to Class Counsel and counsel for CertifiedSafety, at the addresses in the next section of this Notice, by April 20, 2020. The statement must be signed by you, and state: (i) your name; (ii) your current address; (iii) your telephone number; (iv) your dates of employment with CertifiedSafety; (v) the last 4-digits of your Social Security number; and (vi) the basis of the objection, including the reasons why you believe that the Court should find that the proposed Settlement is not in the best interests of the Rule 23 Class Members and the reasons why the Settlement should not be approved. The objection must also state that it relates to the CertifiedSafety Cases.

If you file a written objection, you may also, if you wish, appear at the Final Approval hearing to discuss your objection with the Court. To object, you must not also opt out of the Settlement. If you wish to object to the Settlement but fail to submit your timely written objection in the manner specified above, you shall be deemed to have waived any objection and shall be foreclosed from making any objection (whether by appeal or otherwise) to the Settlement. The postmark date of mailing to the Court shall be the exclusive means for determining that an objection is timely.

You may also withdraw your objection in writing by mailing a withdrawal statement to the Court and counsel for the Parties postmarked no later than May 13, 2020, orally at the Final Approval hearing, or as otherwise ordered by the Court.

If you object to the Settlement, you cannot opt out of the Settlement, and you will be bound by the terms of the Settlement in the event that the Court denies your objection. Thus, if the Court denies your objection, you will be issued a Combination Check pursuant to the terms of the Settlement.

9. Can Defendants Retaliate Against Me for Participating in the Actions?

No. Your decision as to whether or not to participate in the Actions will in no way affect your work or employment with Defendants or future work or employment with Defendants. It is unlawful for Defendants to take any adverse action against you as a result of your participation in the Actions.
